410-427

Among the writers on education
in the early Middle Ages were
Martianus Capella (wrote 410-427)
author of "The Marriage of Philosophy
and Mercury".

420-440

Beginning of Persian wars with
EPITHALITES; a people probably
of TIBETIC or TURKISH stock
living beyond the OXUS R.

The Khan invading Persia
was surprised, defeated & slain.
TATARS were punished in
their own country.

Eastern Empire / Persian War

420

the Franks from a kingdom
under PHARAMOND, in the
lower Rhine.

Jerome died.

He had mastered Hebrew and based his exposition of the Old Testament on the Hebrew text.

Augustine opposed the translation because he believed the LXX was the authoritative version in the church.

420

St. Jerome died. He Completed
translation of the Bible (VULGATE)
